

Chair Scale MBCA-250

(Class III MDD)

This durably constructed chair scale provides ease of use and user security. Lift away armrests are securely held when parked in the retracted position, and foldable footrests allow easy access.

The convenient push handles and big wheels create effortless movement.

The lockable rear wheels ensure patient security, and weighing accuracy.

Scale features a large, hygienic ABS seat. The rugged tubular steel frame with powder coating maintains its shine, and cleans up easily.
